Wedding Coverage Options

All packages include videographers (1-3 videographers based on need), lights, audio, drone, post-production editing, licensed music (for final video), and unique digital delivery of final product.

Wedding Videography Investment Pricing

- **Ceremony only:** Up to 4 hours, establishing shots/pre-ceremony and ceremony coverage. Post-production - ceremony video (5-7 minutes edited, or straight raw footage) with audio. **\$999**
- **Wedding Day:** 8-10 hours of coverage with 1-2 videographers. Coverage includes pre-ceremony preparation (bride & groom), interviews and/or letter readings, first look (if applicable), full ceremony (multi-camera) with lapel audio, and full reception and post-ceremony events (bouquet toss, toasts, etc). Establishing shots (including drone footage) included. Post-production - full-day video edit with live audio and licensed music (7-12 minutes in length). Raw footage available upon request. Unique digital delivery of video(s). ****Optional livestreaming available** \$1,500 - \$1,900**
- **Premiere Wedding Day:** Everything from the Wedding Day package but with extended coverage time. Any specialty event coverage (upon request). Full day video with live audio and licensed music (up to 25 minutes in length). All raw footage. Exclusive digital delivery of video(s) with digital video frame. **\$2,350 - \$2,800**

A LA CARTE:

- **Videographer per hour = \$125/hr** (includes driving mileage)
- **Drone footage = \$250 flat rate**
- **Livestreaming = \$200 (basic) / \$500 (advanced)**
- **Post-Production & Editing = \$750 for everything*** (professional audio, licensed music, creative editing, unique digital and physical delivery, unlimited revisions)

**post-production involvement can be negotiated - e.g. no graphics - straight edit versus creative edit with graphics and music, etc.*
